

The Libertarian Party of New Mexico is pleased to announce that all of the Libertarian candidates that filed for state wide and Federal office on February 6th have not had their petition signatures challenged. Many thanks to the tireless volunteers that collected these signatures, the numerous voters who switched their party affiliation on the spot to sign the nominating petitions, and the petition signers themselves.

With this landmark, the Libertarians running for Federal office are:

Aubrey Dunn for US Senate: <https://lpnm.us/aubrey-dunn/>

Lloyd Princeton for Congressional District 1: <https://lloydprinceton.com/>

Chris Manning for Congressional District 3: <https://chrismanningforcongress.nationbuilder.com/>
