HEMP FIESTA '18

The Libertarian Party had an amazing opportunity to attend the 2018 Hemp Fiesta in Albuquerque at the Balloon Fiesta Park on Saturday, August 4th. It was a wonderful opportunity to let other New Mexicans know who we are and what we are about and let them know that there is another option!

Blair Dunn and Lloyd Princeton were out at the booth greeting folks and getting their names and faces out to the voters, letting them know that the Libertarian Party is here and that we want their voices to be heard. Thank you both Blair and Lloyd for taking the time to come out!

Paul Ryan McKinney, the Bernalillo County Affiliate Chair, gave an awesome speech as well as helped to set up, man and break down the booth-- thank you for being awesome and all you do, Paul!

In the little over five hours that the booth was set up at Hemp Fiesta, we added 13 new members to the party! Here's to the growth of the Libertarian Party in New Mexico and the further spread of liberty!

JOIN YOUR LOCAL COUNTY AFFILIATE!

The Libertarian Party of New Mexico is looking for folks who are ready to spread liberty throughout the state and in their local counties. County affiliates are crucial to the growth of the party and allow you the opportunity to let your friends and neighbors know that there IS another option!

County affiliates keep up to date on the local political races where libertarian candidates are running as well as help to connect libertarians with the central committee and keep everyone up to date on what's going on at the state level.
